COMFORT, QUALITY, PROTECTION

14" BUNKER BOOT FOR STRUCTURAL FIREFIGHTING

3 YEAR 100% TOP TO BOTTOM WARRANTY

- + **Pull-on Loops:** Vulcanized pull on loops for easy entry.
- + **Lining:** Comes with your choice of wool felt or Nomex® lining for added insulation and safety.
- + **Process:** Handmade from 100% vulcanized rubber.
- + **Trim:** High Visibility yellow trim.
- + **Reflective:** 3M reflective piping on the circumference of the outsole for optimum visibility.
- + **Protective midsole:** ASTM, CSA certified puncture resistant steel plate.
- + **Insole:** 100% polyurethane insole reduces foot, leg and back fatigue.
- + **Shank:** Steel ladder shank for added comfort and support when climbing ladders.
- + **Outsole:** Non-slip, abrasion resistant self-cleaning lug sole. Resistant to hydrocarbons.
- + **Shoe fit design:** Designed to fit like a shoe with minimal heel slippage when running or walking.
- + **Toe:** ASTM, CSA Grade 1 Steel toe.
